

Meet the Board Members:

Mary Sue Linville, ALCM, ARM-P

Washington Schools Risk Management Pool

Director of Risk Management

Mary Sue Linville is the Director of Risk Management for the Washington Schools Risk Management Pool (WSRMP), a cooperative agreement among Public School Districts and Educational Service Districts in Washington State to provide coverage for the property and liability exposures of its members. She has served as the director since April 1996, developing and delivering resources, programs and advice to the many members of WSRMP. Prior to coming to WSRMP she was the Risk Manager for the Lake Washington School District from 1989 to 1996. Mary Sue has over twenty years of experience in all lines of personal and commercial insurance, serving in the past as an insurance rater, underwriter and broker in various lines of coverage.

Mary Sue served 2002 - 2006 on the WA PRIMA Board of Directors as a director and officer. She is a past president of WA PRIMA. She also served on the Board of Directors for the National PRIMA from 2006 – 2009.
